Staff Member of the Month

This month's staff member of the month is Mt. Pleasant's Enrollment Coordinator, **Caitlin Hartman**, who is responsible for informing new students about their financial aid options and also helping them get to know the campus better through personal tours. "She strives to make connections with students so they have someone to come to in that first couple of weeks of school and she really is the bright smile that this campus needed all along," said Mt. Pleasant Campus President Shelby Dalgleish. "Her dedication to getting students through the financial aid process as smoothly as possible demonstrates how she strives to give our students the best experience possible." Thank you for all that you do, Caitlin! We appreciate you.

"Nicole always has a smiling face and a positive attitude," said Mt. Pleasant Campus President Shelby Dalgleish. "With only an externship left after this mod, she is truly going to be missed here at Career Quest." Congratulations Nicole – we know you will do great things!

Dedication is one word that comes to mind to describe **Amanda (AJ) Phillips**, a Medical Assistant student in Bay City. As one of our students with a longer commute, she has never let that become an obstacle for her. "In fact, she's often on campus long after her class has ended tutoring other students," said Bay City Campus President Cassie Ferrer. "She also shows dedication by attending campus events and striving to make the President's List, which she has done every mod so far!"
