

Dear Career Quest Students,

This week the U.S. Department of Education announced Emergency Financial Aid Grants will soon be available to students of our Institution who need financial support for their expenses related to the disruption of campus operations due to the Coronavirus pandemic. These funds permit students to access need-based grants for Coronavirus related expenses that you have incurred or will incur in completing your education such as food, housing, course materials, technology, health care and child-care. We are actively working on obtaining these grant dollars and it is our intention to provide these grant dollars to you as soon as possible. Only active students who are in good standing and making Satisfactory Academic Progress will be eligible to receive a grant. You will be receiving more information in the coming days so please check for additional updates often. It is also very vital that the College has your current and correct contact information.
