

Emergency Financial Aid Grants to Students

Under the Coronavirus AID, Relief, and Economic Security (CARES) Act

Student Attestation Application

The U.S. Department of Education has made Emergency Financial Aid Grants available to students of our Institution who need financial support for their expenses related to the disruption of campus operations due to the Coronavirus pandemic. These funds permit students to apply for need-based grants for Coronavirus related expenses that you have incurred or will incur in completing your education such as food, housing, course materials, technology, health care and child-care. Career Quest’s Campus Administration will use the information you provide here to determine your eligibility for a grant and the amount for which you will be eligible. Each student will be eligible for only one grant and only one application will be considered per student. Please fill out this information completely and submit it back to your Campus via DocuSign. Only active students who are in good standing, Title IV eligible and making Satisfactory Academic Progress will be able to receive a grant. In order to receive these grant dollars, this student attestation application form will need to be returned to Career Quest via DocuSign within five business days of your receipt of this form.
