

## State Authorization and Institutional Eligibility Disclosures

### State Authorization

Federal regulations require an institution to disclose whether its programs prepare graduates for any state licensure or certification to work in the field of study.

**Certified Nursing Assistant** is a regulated occupation in the Michigan. The **Certified Nursing Assistant** program offered by Career Quest Learning Centers, Inc., prepares graduates to sit for the Certified Nurse Aide Competency Evaluation, successful passage of which is required to work in Michigan. The institution has not made any determination regarding the licensure or certification requirements in the other 49 states or the District of Columbia. Applicants and students who may relocate to another state should review the requirements for employment as a Certified Nursing Assistant in that state.

No other programs offered by Career Quest Learning Centers, Inc., prepare students for occupations that require professional licensure or certification to work in Michigan. However, there may be professional licensure or certification requirements in other states to work in certain occupations, including **Medical Assistant, Child Care Assistant, Medical Billing and Coding, and HVAC-R**. The institution has not made any determination with regard to the requirements of employment in the other 49 states or the District of Columbia.
